As a property owner, tenant, or person who has requested notice, please be advised that the Hearing Officer will hold a public hearing to approve, conditionally approve, or deny an application for an existing Wireless Communication Facility consisting of nine panel antennas and associated components concealed behind a roof top mechanical screen with equipment located within the Alta La Jolla Club House building on the first floor. The project site is located 1570 Alta La Jolla Drive in the RS-1-4 zone. The previous permit (PTS 82328) that permitted this project expired on October 12, 2016. No modifications are proposed with this project.

The decision of the Hearing Officer is final unless appealed to the Planning Commission. In order to appeal the decision you must be present at the public hearing and file a speaker slip concerning the application or have expressed interest by writing to the Hearing Officer before the close of the public hearing. Please do not e-mail appeals as they will not be accepted. See Information Bulletin 505 "Appeal Procedure", available at [www.sandiego.gov/development-services](http://www.sandiego.gov/development-services) or in person at the Development Services Department, located at 1222 First Avenue, 3rd Floor, San Diego, CA 92101. The appeal must be made within 10 business days of the Hearing Officer's decision.
